

# ABOUT HOISTLIFT of FLORIDA

Hoistlift of Florida (HLFL) is an 18,000 SF full-service dealership and service center for material handling, construction and agricultural equipment. HLFL will be an authorized dealer for a variety of equipment brands, including:

**Hoist Liftruck:** A U.S. manufacturer of high-capacity liftrucks ranging from 15,000-125,000 lbs., including the popular Neptune Series marina forklift. From heavy-duty cushion tire and pneumatic forklifts to container handlers and reach stackers, all the liftrucks are 100% made in the USA.

**Terex:** Efficient, powerful and reliable compact construction equipment that help accomplish any task within budget and on time. From backhoe loaders to site dumpers, mobile excavators to wheel loaders, concrete roller pavers to concrete mixer trucks.

**Genie:** Genie products are used in a wide range of industries on job sites and in facilities around the world. Their versatile boom lifts, material handlers, and more are the right choice for many applications, including construction, industrial, warehouse and retail.

**Tesmec:** One of the worlds leaders in the design, production and supply of high-powered tracked trenchers for linear excavation and surface miners for bulk excavation, which can excavate both in very hard rock and in soil, in permafrost and desert areas.

**Multiquip:** A diverse manufacturer and supplier of world-class quality industrial products and solutions. Products include construction equipment, power generation, rammers, rollers, plate compactors, and other compaction equipment.

HLFL is operated by Specialized Liftruck Services (SLS), an authorized Hoist Liftruck dealer in Florida. SLS is one of the fastest-growing independent material handling service companies in the U.S. Exclusively working with large-capacity forklifts, SLS service technicians are trained and equipped to handle forklifts of ALL brands, including the additional equipment brands the location will be offering.
